

Bali

Bali is a proud member of Atoz's Cottage Core collections, celebrating time-honored craftsmanship and the beauty of organic materials in home décor. This collection is made from richly grained acacia wood, complemented by brass accents. Each piece features signature tops, uniquely crafted from individually placed wood chips, giving them a distinct artisanal character. Warm, tactile, and full of natural variation, Bali embodies the spirit of handcrafted design while showcasing the enduring beauty and cultural richness that inspired it.
